craiga@hallevans.com

Alice Craig has over 25 years of litigation and appellate experience. Her current practice focuses on civil litigation with an emphasis on transportation, wrongful death, catastrophic injury claims, and premises liability. Alice has significant experience in defending personal injury and property claims for railroads, trucking companies, retail companies, restaurants, and propane retailers. As a trained mediator, Alice can also effectively guide her clients through mediation.

Education

JD: University of
Kansas Law School,
1995

BBA: University of
Kansas, 1990,
Business
Administration

Bar Admissions

Kansas, 1995

Missouri, 2017

Nebraska, 2023

U.S. District Court,
Districts of Kansas,
Nebraska, Utah, and
Western District of
Missouri

U.S. Court of
Appeals, Seventh
and Tenth Circuits

Prior to joining the firm, Alice served as faculty at the University of Kansas School of Law for over 18 years and as an attorney in the Paul E. Wilson Project for Innocence. Alice ran the Trial Advocacy Program, directed the KU Law mock trial team in national competitions, and supervised the undergraduate mock trial program. Alice and her team successfully litigated claims of actual innocence in Kansas, Missouri, and Federal Court culminating in the release of multiple high-profile clients.

Alice began her career as an Assistant Appellate Defender, Assistant District Defender, and Assistant Death Penalty Defender in the Kansas Public Defender system providing her with a foundation of advocating for her clients in both the trial and appellate systems.
